

Saturday's Request.

The coroners jury summoned by Deputy-Marshal Hitchcock to inquire into the cause of death of Henry Kaia on Saturday morning returned a verdict of suicide. The testimony showed that the deceased had not been at his work in the postoffice since last Monday and other facts were brought out showing that in addition to family troubles he was financially embarrassed.

The Wall, Nichols & Co.

Those beautifully-toned instruments, the Regina music boxes, handled by the Wall, Nichols Company, have met with a very warm reception in this city. Two of the highest priced ones were sold Saturday. The firm expects a big consignment of other goods on the Australia today, special features being new designs in crepe tissue paper, a lot of new books, and the largest display of leather goods ever brought here. The latter have been specially selected from the best manufacturers in Philadelphia.

Accommodating Hotel.

The following gem of an advertisement for a hotel appears in a Kobe paper:

For the information of the crowds who intend visiting this resort we desire to say that it is the most accommodating house on this mundane sphere. Cats, dogs, monkeys and parrots are allowed without any extra charge; cows are kept so all pets may have fresh cream at all hours of the day.

Guests need not wipe their feet when they come in, they can get postage-stamps at the office free; bring snakes, horned toads, lizards and other such animals into the house, and the manager will skin and prepare them free of charge.

If you don't pay your bills every week it makes no matter, for we are related to Rothschild. We furnish a piano, corkscrew and sewing-machine to every guest.

For ladies who want to wash and cook in their rooms we offer our best suites. Plenty of hot-water bags and medicine, from Niwa to Tansan. Our chamber-maids are selected for their beauty. You can take all the glass and silver to your room and the cooks will serve you with any kind of liniment or poultice day or night.

You can do, in fact, anything you want to, but not more than six gentlemen are allowed to sleep on the dining table at once.

Any one breaking the rules of this house can receive massage treatment with a club by leaving notice at this office.

DECEMBER 7, 1895.

In every account of weddings, receptions, anniversaries and dear knows what there is always a description of the floral decorations but never a word about the pots that hold the plants and flowers. There are two reasons for this: One, because the pots are usually such common-place affairs that they are not worth mentioning; the other is because they escape the reporter's eye.

Heretofore there has been only one place in Honolulu where genuine majolica vases for plants could be bought. Now, there are two. Ours is the other one, and we think it is the best because the stock is larger and the assortment more varied. Today is a good time to come down and make your selection.

There used to be only two or three places where you could buy a decorated chamber set and the ones they sold were indifferent as to quality or style; they contained a certain number of pieces and they managed to pretty well cover a wash stand. Ours were selected first for their usefulness and next for their beauty. You never saw their equal in this country and you may never again—the odd shape will strike your fancy and the price, \$5 to \$12, will settle it so far as you are concerned. There's nothing cheap about them except the price. If you were in the States you would pay twenty dollars for them and never murmur. We don't want the earth but we want your trade.

In the same room with the chamber sets you will notice a lot of whatnot ornaments for holding flowers. Most anyone would appreciate one of them as a gift at this season, because they are pretty and useful, and you will enjoy giving one of them away because they are inexpensive. The assortment is larger than you imagine. If you prefer giving away cut glass and do not feel that you can spend much money buy a piece of English cut glass. It costs about half what the Dorflinger American does, but it is genuine.

We have the Dorflinger too.

MRS. AUG. DARROW.

Perfectly
Wretched!

PAINE'S CELERY COMPOUND
RESTORED MRS. DARROW
TO HEALTH AND HAPPINESS.

This is the Medicine That
Makes People Well!

WELLS, RICHARDSON & Co.,
Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep right or day; to sum it all
up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as
well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 155
pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are
very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING
WITH STOMACH TROUBLE OR NERVOUS TROUBLE.
Yours respectfully,
MRS. AUG. DARROW.
